PERSIONAL PROFILE

I'm Nguyen Huu Tuong, I'm a Front-End Developer now and really would like to become a Full-Stack Developer in the future.

Learning new languages and technologies is what I'm passionate about. I'm considered a good team-player because I would like to help others and tend to work well within the group.

In my spare time, I made some small projects which could be found at My CV Online: http://huutuong.cf/.
